REQUEST TO DELETE IMPROPERLY ENTERED SUBSTITUTE SPECIFICATION PURSUANT TO 37 C.F.R. §1.125 AND MPEP §§608.01(q), 714.25

Hon. Commissioner of Patents Washington, D.C. 20231

Dear Sir:

On October 8, 2002, the undersigned Attorney received a telephone call from the Examiner in this case, Mr. Khanh Pham. Examiner Pham stated that the Patent Office had received a Request for Continued Examination (Paper No. 9), a Preliminary Amendment (Paper No. 10), and a substitute specification (Paper No. 11). Moreover, Examiner Pham indicated that Paper No. 11 included what appeared to be handwritten comments thereon.

Attorney has reviewed the correspondence that was sent and believes that Paper No. 11 represents a copy of Attorney's work copy of the specification. Attorney did not intend to send Paper No. 11 to the USPTO. After investigation, Attorney has determined that Paper No. 11 was

in a stack adjacent to Papers Nos. 9 and 10 and was erroneously copied and submitted with Papers Nos. 9 and 10. Attorney regrets that this office's action has caused the confusion.

However, Attorney respectfully submits that Paper No. 11 was improperly entered as a substitute specification, as it does not meet the requirements of 37 C.F.R. §1.125(b) and (c) and MPEP §608.01(q). Since Paper No. 11 was erroneously entered, pursuant to MPEP §714.25, the entry has no legal effect. Attorney respectfully requests the Examiner to delete improperly entered Paper No. 11 from the application file (see §714.25) and return it to Attorney or destroy it, which ever is most convenient for the Examiner.

Attorney thanks the Examiner for noticing the error. If there are any questions concerning this matter, the Examiner is invited to call the undersigned to discuss the issue.

Respectfully submitted,

Janice Lynn Farmer et al.
